The poems are intimate, painted in a form that makes the unthinkable familiar. This book can be viewed as a memoir and be displayed alongside Azar Nafisi's Reading Lolita in Tehran or Marjan Satrapi's Persepolis.</li> <li>Kalbasi's poetry is generous and abundantly human, passionate and compassionate.</li> <li>Jimmy Santiago Baca, award winning poet and author</li> <li>Sheema Kalbasi's poems speak of love, loss, and life in exile. They are the poems of a human rights activist passionate with the hope of peace. Kalbasi's poetry exposes the deep heart of a woman who is compassionate with suffering and full of the joy of life, of the innocence of a child, the knowledge of a woman, the aspirations of a peacemaker. These are stirring poems with a worldly view, both accessible and imaginative. They make an excellent cross-cultural exchange that demonstrates our universal humanity.</li> </ul></th>	N e w R e l e a s e b y I r a n i a n P o e t S h e e m a K a l b a s i	<ul> <li><i>Echoes in Exile</i> is a rich collection of poetry describing Iran and Middle Eastern politics. 		humanity. Daniela Gioseffi, American book

Sheema Kalbasi's poems attest to our tragic situation in which exile becomes a privileged position for pointing out the prevalent injustice of displacement. Her deeply engaging and reflective poems allow us to wrest away the very idea of homecoming in a world that denies it.

-- Dr. Peyman Vahabzadeh, Department of Sociology, University of Victoria
